## The Kofé Family

### **Grandpa Presso - a.k.a Espresso**

*(ess-press-oh)*

*He is the heart and soul of the family.*

*Strong and black, or perhaps with a bit of sugar.*

### **Grandma Presso - a.k.a. Espresso Con Pana**

*(ess-press-oh con pan-uh)*

*She is just like Grandpa but a little sweeter from our whipped cream.*

*One of the coffee connoisseurs favorite drinks.*

### **Uncle Cappu C. Cino - a.k.a. Cappuccino**

*(cah-puh-chee-no)*

*Uncle Cappu is a presso with frothy steamed milk wearing a thick foam cap and a dash of cinnamon.*

*The mainstay of the Italian coffee culture.*

### **Sista Mocha C. Cino - a.k.a. Mochaccino**

*(mow-kah-chee-no)*

*Sista mocha the warmed hearted sister to Cappu, only she has a little touch of Dutch.*

*Cappuccino mixed with rich chocolate syrup and drizzled with chocolate - UMMM!*

### **Aunt Caffé Latte - a.k.a. Caffé Latte**

*(kah-fay lah-tay)*

*Aunt Latte is a bit milder then Uncle Cappu. She is from the same presso family, but on the big boned side because she drank twice the milk as Uncle Cappu. Our latte begins with the same hearty espresso. Then steamed milk is added, allowing the cream to float to the top.*

## Meet Kara & Mel

### **Ms. Kara C. Cinno - a.k.a. Karaccino**

*(ka-rah-chee-no)*

*Kara is a wonderful young lady with a cappuccino background with a dash of caramel for a great mix.*

*Cappuccino mixed with caramel - UMMM!*

### **Mr. Mel Latte - a.k.a. Caffé Caramel**

*(kah-fay ka-rah-mel)*

*Mel is an exciting young man with a tall latte character with a smashing amount of caramel charisma.*

*Caffé latte with the right amount of caramel - this you gotta try!*

## Meet the Macchiatos - The true Italians

### **Presso Macchiato - a.k.a. Espresso Macchiato**

*(ess-press-oh mock-ee-ah-tow)*

*Uncle Cappu's long lost cousin. They have the same build but Presso Macchiato doesn't use steamed milk, just a rich foam cap. We start with a thick, rich foam and slowly add espresso to "mark the drink".*

### **Great Antie Macchiato - a.k.a. Latte Macchiato**

*(lah-tay mock-ee-ah-tow)*

*She is the Marge Simpson of the Macchiato family. As with all the latte's, they drink a lot of milk. The result is a beautiful three layered treat. A cup of steamed milk "marked" with a shot of espresso. With foam at the top and shades of milk beneath.*

# Kofé Korner®

## What's Kofé Korner?

Back in 1982 when we opened **UMMM's**, we brought over the **Kofé Family** from the land of Arabica. Through the years of watching this market, we noticed one reoccurring theme. Everybody took everything so seriously and no one seemed to be having fun. That's when we stepped in.

In 1997, for those keeping track, with the growing **Kofé** market and your growing enthusiasm, we gave the family some space and added some humor. We attacked the names and descriptions of different concoctions for the fun of it. For those traditionalists, we give you the real name and definition in addition to our humor. That was how **Kofé Korner** was born.

So, to answer the question - what's **Kofé Korner**? The answer is simple. **Kofé Korner** is the place to find all of your caffeinated and non-caffeinated cravings! So, look over the menu and have a little fun with the **Kofé Family**. I am sure that we have something that will tickle your taste buds.

Warmly,

Matt Garwood
